GRADUATE TEACHING ASSISTANT/ASSOCIATE BENEFITS

A GA will receive the following benefits. These benefits are not transferrable and may not be applied to charges assessed through the Outreach College. Benefits will not be processed until hiring information is entered into UAccess Employee and all position requirements are satisfied. Tuition benefits and/or GA Deferments are not given for Summer/Winter sessions classes.

Nonresident Tuition Rate

A nonresident GA employed during the fall and/or spring academic semesters will be charged at the GA Reduced Tuition, equivalent to resident tuition, in place of nonresident tuition rates.

Tuition Remission

A GA employed during the fall and/or spring academic semesters will receive tuition remission in an amount which is dependent on FTE, enrollment, and dates of employment and will only apply to standard graduate resident tuition. This coverage is limited to what is charged and is not applicable to other fees. If employed at a total FTE less than 0.50, one will receive tuition remission in the amount of 50% of the standard graduate resident tuition rate. If employed at a total FTE greater than or equal to 0.50, one will receive tuition remission in the amount of 100% of the standard graduate resident tuition rate. Refer to the Tuition and Fees Calculator on the Bursar's Office website for more information about tuition rates. The URL is <https://tuitioncalculator.fso.arizona.edu/#!/selections>

Health Insurance Premium Coverage

A GA who is enrolled in the student health insurance plan through the University of Arizona will receive coverage of the student-only premium. This benefit does not apply to insurance plans outside of the University of Arizona. One may enroll for the health insurance through the Student Center in UAccess Student. Please refer to the Graduate Assistant/Associate Health Insurance Benefit page on the Campus Health Service website for information about enrollment deadlines and coverage. The URL is <https://www.health.arizona.edu/graduate-assistantsassociates>. Once a student is enrolled, that student will be automatically re-enrolled in future semesters upon class registration (regardless of assistantship status) unless one cancels the coverage during an Open Enrollment period. Once the enrollment period closes, students will be unable to add, cancel, or change coverage until the next enrollment period.

GA Fee Rebate

The Graduate and Professional Student Council have provided the Graduate College with funding to allow a partial rebate of mandatory fees. The amount is based on tuition so the amount will be determined at a later date. This rebate will be applied to GAs' student accounts approximately 6 – 8 weeks after the start of the semester. This rebate does not occur each year. When the rebate is available, the funds will be directly reversed in your bursars account.

Bookstore Discount

A GA is eligible for a 10% discount off the price of select items purchased at all ASUA Bookstores, subject to Bookstore policies in effect. This benefit goes into effect once hiring information is processed and all requirements are satisfied. This benefit must be mentioned at the time of purchase to receive it and is not available retroactively. Speak with representatives at the Bookstores for more information about this discount.
