COMMERCIALIZATION CONVERSATIONS

ASSET DEVELOPMENT FUNDING TO BRIDGE THE RESEARCH-TO-IMPACT GAP
DECEMBER 9, 2020 12:00 - 1:00 PM VIA ZOOM

ARE YOU READY TO BRIDGE THE RESEARCH TO IMPACT GAP?

JOIN US FOR A CONVERSATION ABOUT ASSET DEVELOPMENT FUNDING.

Tech Launch Arizona’s Asset Development (AD) funding helps advance inventions that aren’t yet ready to attract licensees or investors. AD funded projects often involve creating a prototype, confirming functionality, or exploring scalability. Join us and explore the possibility of moving your innovation forward with funding from TLA.

Submit your questions ahead of time, or ask your questions for our panelists live.

GUEST PANELIST:
SADHANA RAVISHANKAR, PH.D.

Dr. Sadhana Ravishankar’s aim is to contribute towards a significant reduction in illnesses by improving the safety of foods by researching practical solutions, with an emphasis on natural products for the food industry in order to provide safe and wholesome foods for the consumer, teaching courses on food microbiology and biotechnology, providing outreach activities engaging producers and communities, and providing microbiology testing services to industry.

TECH LAUNCH ARIZONA:

DOUG HOCKSTAD, MODERATOR
Assistant Vice President

RAKHI GIBBONS, PANELIST
Director of Licensing

BRUCE BURGESS, PANELIST
Director of Venture Development
