

CLAIM YOUR SEAT AT THE TABLE

“We’re not developing the best possible technologies when we’re not including all sorts of people at the table to design those technologies.”

-Provost Liesl Folks

Your research is your passion. Turn that passion into impact.

An exciting series designed to help you increase the influence of your work and advance your career.

Session 1 - **Linking Your Passion to Impact**

November 6, 9:00 - 10:30 am

Your passion drives your research, but does it leave the lab? Learn how your work can create a broader impact.

Session 2 - **Thinking Like an Inventor**

December 4, 9:00 - 10:00 am

How a researcher and an inventor think may seem different, but they’re more alike than you might imagine. Hear from researchers like you about how to develop your impact mindset.

Session 3 - **Choosing Your Favorite Hats**

January 8, 2021 9:00 - 10:00 am

When you wear many hats, it can be challenging to make time for each one. We’ll discuss how to optimize your time and effort.

Session 4 - **Make it Happen**

February 5, 2021 9:00 - 10:00 am

From expert advice to funding for inventions to a supportive ecosystem, learn about resources available to turn your passion into impact for a better world.
