The Women in Science and Engineering (WISE) Mentorship program pairs woman identifying students pursuing STEM degrees with volunteer mentors engaged in STEM careers. Pairs meet monthly and are provided with discussion topics and check-ins throughout the year to ensure positive and impactful relationships. Our goal is to cultivate relationships that increase confidence, build resilience, and foster a sense of community among women and gender marginalized populations in STEM.

**Eligibility**
- Undergraduate or graduate students majoring in STEM fields.
- This program is designed for woman identifying students but open to anyone.

**Commitments**
- Attend mentorship events on September 25th (virtual), January 22nd (virtual), & April 23rd (in-person). Childcare provided for the in-person event.
- Meet monthly with mentor for approximately one hour (in-person or virtually).

**Applications accepted until FRIDAY SEPTEMBER 10TH, 2021**
